## ANNOUNCEMENTS

- Tues. May 17 WSC meets at 9 AM. Lunch is Taco Salad with hostess Esther Lepley, offering MCC for Ukraine.
- Axis Youth Group is having a Soup Lunch Fundraiser on Sunday, May 15, from 11.30 am to about 1.00 pm at Crown Hill Mennonite Church. The Axis group is going to serve at the SWAP location in Kimball, West Virginia from July 11-16. SWAP is a ministry of Mennonite Central Committee -- Serving With Appalachian People. Their mission is "providing safe, warm, and dry homes in Appalachia." They accomplish this primarily through repair work, and also focus on building relationships and partnering with local agencies. Axis will send 8 or 9 youth and 2 adults on this trip. The goal is to raise \$3000 on May 15th to cover the expense of the trip.
- Have you invited your family or friends to the Crown Hill Homecoming on August 6th? If you haven't yet, read this: We will have two food trucks and all the food is being paid for by the church! They will serve pulled pork & BBQ chicken, beans and mac & cheese and then 8 flavors of ice cream for dessert!
- Sunday, June 5th we are planning a song & sharing Sunday. Instead of a sermon that day, we are asking you to think of a song that has special meaning to you and sharing with the congregation what that special meaning is. We would like for you to submit your song to Dan or Thomas by May 29th so we can have all the songs ready to sing or play by June 5th. Thanks!
- Although winter seemed to linger around extra long this year, the warmer weather is finally here! The Leadership Team has decided that we will again worship outside under the trees during the summer months. Starting June 5th we will begin worshipping outside. Bring a lawn chair or stay in your car and worship from your car.
- It's Elder nomination time! It's hard to believe it's that time of year already. Please begin prayerfully discerning two people that you would like to nominate to serve as an Elder here at Crown Hill. On May 15th we will collect the nominations.

**Note from the Manor: On May 5, Dan and Thomas met with Dr. Bolois, Executive Director of New Destiny Treatment Center. It was a follow-up conversation regarding the interest of Dr. Bolois in purchasing the Manor building for housing graduates of the New Destiny program. Dr. Bolois reported that the New Destiny Board of Directors felt that because the ministry has several large projects in the works, it would be unwise for them to purchase or lease the Manor building. Dr. Bolois wanted to move forward with his own funds, but the Crown Hill Elders had discussed this and thought it unwise to sell or lease to an individual rather than an organized ministry. So, the discussion of selling or leasing the Manor building is ended for now. The Manor Board will continue its work of guiding the present and future ministry of the Manor.**
