ANNOUNCEMENTS

- Sunday, June 5th we are planning a song & sharing Sunday. Instead of a sermon that day, we are asking you to think of a song that has special meaning to you and sharing with the congregation what that special meaning is. We would like for you to submit your song to Dan or Thomas by May 29th so we can have all the songs ready to sing or play by June 5th. Thanks!
- Although winter seemed to linger around extra long this year, the warmer weather is finally here! The Leadership Team has decided that we will again worship outside under the trees during the summer months. Starting June 5th we will begin worshipping outside. Bring a lawn chair or stay in your car and worship from your car.
