The November Food Pantry was a busy and cold couple of days! We served over 200 families for the first time in many years. The number of families coming to the food pantry has been increasing every month since this summer and this month was a big jump--we suspect because we were giving away turkeys! Thanks to all the volunteers who helped unload trucks, pack boxes, move turkeys, manage the traffic flow, load cars and more! Our next food pantry is after Christmas which will give everyone a chance to recover and get the inventory restocked.
