Sharing - By Pat Hess

There are some of us who have a gift..  
A special knack for singing.  
There are some who love to visit  
For the pleasure that they're bringing.

There are some whose words are golden  
When they come to say a prayer;  
There are some whose gift is preaching  
From the pulpit way up there.

There are those with nimble fingers  
Working stitches as they're quilting.  
There are those creating beauty  
By the things that they are building.

There are those who are so gifted  
With a talent just for cooking.  
Some can paint a scene from nature,  
And the pleasure is in looking.

Some can make an organ speak to us  
Or thrill us with piano;  
Some can teach a special lesson  
Through their tenor or soprano.

But whatever gift you're given,  
Just reach out your hands with care,  
For the blessing will be multiplied  
Each time you choose to share.
