- **Your help is needed to fund MCC meat canning in Kidron:** We are grateful for the volunteers who will help can 30,000 pounds of turkey in the Gerber Building behind Central Christian School from October 20-23. However, we are struggling to raise the necessary funds to pay for the canning. While we were able to secure a loan from MCC that enables the canning to move forward without delay, we need to raise \$40,000 to repay the cost of the meat and canner operations. Please consider supporting this important project helping people in need around the world, providing important nutrients through canned meat.
